

New Drop-off and Pick-up Procedures

As the new school year begins we have made some changes in the student drop-off and pick-up procedures. The new changes will take effect beginning on Monday, August 25th. These changes are being implemented in an attempt to ease the congestion with the traffic flow in and around the building during drop-off and pick-up times. The changes are as follows:

1. Students who are in grades K-5 may still be dropped off in the morning in front as in the past. These should be drop-offs only. **If you wish to walk your child into the building please park in the back parking lot.**
2. If you have more than one child and one of those children is in the 6th grade or above, **their morning drop-off should be in the back of the building.**
3. **All afternoon student pick-ups will be in the back of the building.** Parents, grandparents, and others may wait for their child(ren) in the auditoria area.

Please keep in mind these changes are for students who are brought to and picked up from school instead of riding the bus. Also, keep in mind students should not arrive at school before 7:45 AM and persons picking up students should not enter the building before 2:50 PM.

If your child is late to school or you are dropping off or picking up him/her for an appointment etc. you may park in the front as usual.

Walking Students to Their Room

We would like to remind parents that it is school policy that parents are not permitted to walk their children all the way to their classroom. Parents are only to walk their children to the start of their hallway (there is a sign posted). If you need to speak to your child's teacher or drop off an item to the classroom we ask that you sign in at the office and obtain a visitor's pass. This policy is not meant to cause parents any undue stress, it is simply meant to keep all students as safe as possible. If your child is having a difficult time separating please contact the office as soon as possible. Kindergarten students may have a grace period of one month, Monday, September 29th kindergarten parents will not be permitted to walk their child all the way to the room. We appreciate your cooperation in maintaining a safe school environment. Should you have any questions or concerns please call the school.
